

# M2020

**Snell M2020 ensures the best head protection through:**

1. Highest Standard
2. Toughest Test
3. Continuous Enforcement

***SNELL CERTIFIED HELMETS MEET  
THE GOLD STANDARD.***

# IS YOUR HELMET SNELL CERTIFIED?

## Impact Energy Management

### Medium Size Helmets

ECE 22.05 (45%)

DOT (51%)

SNELL (100%)

### Consider the “SIMPLE 4 S’s” to improve your riding safety:

- **Snell Sticker:** The Snell certification label inside the helmet is your assurance that a helmet meets the highest standard for protection in the world.
- **Size:** Always try helmets to make sure yours is snug before purchasing.
- **Shape:** Leave the helmet on your head to ensure a good fitting all around with no hotspots.
- **Strap:** Always securely fasten your helmet straps on every ride.
